Compliance with Other Conditions of Probation. Mr. Campbell is completing his 12-week anger management by seeing a therapist for weekly individual sessions. For the previous review hearing in November 2025, Mr. Campbell provided the prosecution with a letter from his therapist documenting seven sessions completed to that point. Since that time, Mr. Campbell has completed four additional sessions, for a total of eleven sessions so far, and provided the prosecution with another letter from his therapist documenting those eleven sessions. As the most recent therapist letter explains, Mr. Campbell is scheduled to complete his twelfth session a couple days from now on November 26, 2025. Once he completes the twelfth session, he is planning to obtain another letter from his therapist confirming the twelve sessions, which the defense submits would satisfy the probation order for a 12-week anger management session.
